AGHF Inc. d/b/a AgroHouse Foundation

FOR BOARD ADOPTION

Stability • Structure • Growth • Community

Adopted:

July 26, 2026

1. PURPOSE

This Code of Ethics Policy establishes the standards of conduct expected of all directors, officers, employees, volunteers, and contractors of AGHF Inc. d/b/a AgroHouse Foundation (the “Corporation”), in furtherance of the Corporation’s mission and its obligations as a 501(c)(3) public charity.

2. CORE PRINCIPLES

All covered individuals shall act in accordance with the Corporation’s core values:

- Stability — creating reliable systems that communities can depend upon.
- Sustainability — building long-term solutions rather than temporary responses.
- Stewardship — managing resources responsibly, ethically, and transparently.
- Community — working alongside existing organizations and community partners rather than replacing them.
- Opportunity — creating pathways for growth, education, employment, and self-sufficiency.
- Dignity — serving individuals with respect while preserving personal choice, independence, and self-worth.

3. STANDARDS OF CONDUCT

All covered individuals shall:

- Act honestly and with integrity in all Corporation dealings.
- Comply with the Corporation’s governing documents and adopted policies, including the Conflict of Interest Policy and Whistleblower Policy.
- Safeguard and responsibly use Corporation resources, including grant funds and donations.
- Avoid the use of Corporation position or influence for improper personal gain.
- Treat program participants, partners, donors, and colleagues with dignity and respect.
- Maintain accurate books, records, and reporting.

4. COMMUNITY PARTNERSHIP CONDUCT

Consistent with the Corporation’s partnership philosophy, covered individuals shall support and strengthen community outreach operations — including at First Nazarene Church of Zephyrhills and other partner sites — without controlling, managing, supervising, or directing partner programming, staff, or volunteers, except as expressly agreed in a written partnership agreement.

5. COMMUNICATIONS STANDARDS

Public communications made on behalf of the Corporation shall be professional, community-focused, mission-driven, and data-informed. Covered individuals shall avoid political or partisan messaging, unverified impact claims, and exaggerated fundraising language when representing the Corporation.

6. FINANCIAL INTEGRITY

Covered individuals shall not misappropriate, misuse, or divert Corporation funds or assets, and shall comply with the Corporation's debt-free operating model, under which no loans, lines of credit, mortgages, or long-term debt are permitted unless specifically approved by the Board of Directors.

7. REPORTING VIOLATIONS

Suspected violations of this Code of Ethics shall be reported in accordance with the Corporation's Whistleblower Policy. Retaliation against a good-faith reporter is strictly prohibited.

8. ENFORCEMENT

Violations of this Code of Ethics may result in corrective action up to and including removal from the Board, termination of employment, or termination of a volunteer or contractor relationship, as determined by the Board of Directors.
