RESOLUTION AND IMPLEMENTATION PLAN OF THE BOARD OF DIRECTORS

AGHF Inc. d/b/a AgroHouse Foundation

Adopted at a meeting of the Board of Directors held on July 26, 2026, in accordance with the Bylaws of the Corporation.

BACKGROUND

WHEREAS, AGHF Inc. d/b/a AgroHouse Foundation (the "Corporation") has filed Articles of Incorporation with the Florida Department of State, Division of Corporations ("Sunbiz"), and intends to establish a public-facing website promptly upon confirmation of Sunbiz approval and issuance of the Corporation's federal Employer Identification Number; and

WHEREAS, a website is necessary to communicate the Corporation's mission, build donor and community trust, support Program 1 (Community Outreach Stabilization) outreach and volunteer recruitment, and provide a transparent public record of the Corporation's leadership and governance; and

WHEREAS, the Founder Employment Agreement identifies website oversight as a duty of the Program 1 Program Manager;

RESOLUTION

NOW, THEREFORE, BE IT RESOLVED, that Maggie Baty, in her capacity as Founder, Executive Director, and Program 1 Program Manager, is authorized to select and register a domain name, select a website hosting and design platform, and oversee the build-out and ongoing maintenance of the Corporation's website, subject to the budget and content requirements set forth in this Plan;

FURTHER RESOLVED, that the Board authorizes website-related expenditures (domain registration, hosting, design, and payment-processing setup) up to a total of \$25 a month, to be paid from Corporation funds once the Corporation's bank account is established, consistent with the Banking Resolution;

FURTHER RESOLVED, that website launch shall not occur, and no public donation solicitation shall appear on the website, until the Corporation has (1) received confirmation of its Articles of Incorporation from Sunbiz, (2) obtained its federal Employer Identification Number, and (3) completed any Florida charitable solicitation registration required prior to soliciting contributions from the public;

FURTHER RESOLVED, that the Program 1 Program Manager shall present the website's content and design to the Board for review prior to public launch, and shall report any material changes to website content or vendors to the Board thereafter.

REQUIRED WEBSITE CONTENT

At minimum, the Corporation's website shall include:

- Organization name (AGHF Inc. d/b/a AgroHouse Foundation) and mission statement.
- Description of Program 1 (Community Outreach Stabilization) and its community partnerships, including First Nazarene Church of Zephyrhills.
- Listing of current Board of Directors and their roles.
- Recognition of Maggie Baty as Founder, consistent with the Founder Recognition Resolution.
- Contact information for general inquiries and volunteer sign-up.
- 501(c)(3) status disclosure — stating clearly whether recognition is “pending” or “granted,” and avoiding any representation that donations are tax-deductible until IRS recognition is received.
- A privacy policy governing collection of visitor, volunteer, and donor information.
- A donate button or donation page, to be activated only once the conditions in the Resolution above are satisfied.

COMPLIANCE NOTES

- Florida law generally requires charitable organizations to register with the Florida Department of Agriculture and Consumer Services before soliciting contributions from Florida residents, subject to available exemptions; this should be confirmed before the donate function is activated.
- Donation receipts issued through the website must not claim federal tax-deductibility until the Corporation has received its IRS determination letter recognizing 501(c)(3) status; until then, any solicitation should include appropriate “exemption pending” language reviewed by counsel.
- Any online payment processor selected should be reviewed by the Treasurer for fee structure and deposit timing before integration.
