First Notice of Deficiency

Dear Applicant:

The Department received your application submitted under Chapter 496, Florida Statutes, the Solicitation of Contributions Act. The application is deficient for the following reasons:

1. A certification, signed by at least one board member attesting that all directors, officers, and trustees of the charitable organization have read and understand the conflict of interest policy, was not provided.

Pursuant to Chapter 496, Florida Statutes, this Notice is provided within 15 working days of receiving your application to enable you to correct the cited deficiencies for further review by the Department. Your response to this letter should reference DTN 4292668 and resolve each deficiency cited above; do not submit a partial response.

If you do not correct these deficiencies within 30 days from receiving this Notice your application will be denied and the Department will pursue its available legal remedies. Soliciting Contributions from persons in Florida, or from a physical location in Florida, without being properly registered is a violation of Chapter 496, Florida Statutes.

Thank you for your attention to this matter. If you have any questions regarding your application/filing, please contact the undersigned at the number listed below.
