501(c)(3) Filing Strategy

FOR BOARD REVIEW • AGHF Inc. d/b/a AgroHouse Foundation™

Form 1023 vs. 1023-EZ Review — AGHF Inc. d/b/a AgroHouse Foundation™

Purpose

This document outlines AGHF Inc.'s strategy for applying to the IRS for recognition of tax-exempt status under Section 501(c)(3) of the Internal Revenue Code, and the process, timeline, and funding needed to complete that filing.

Form 1023 vs. Form 1023-EZ

Factor	Form 1023-EZ	Form 1023 (full)
Eligibility	Projected gross receipts ≤ \$50,000/yr for 3 years; assets ≤ \$250,000	Required if EZ eligibility is not met, or organization prefers full review
Filing Fee	\$275	\$600
Processing Time	Typically faster (weeks to a few months)	Typically longer (several months to a year+)
Narrative Detail	Minimal — attestation-based	Detailed narrative of activities, finances, and governance required

Recommended Approach

Given AGHF Inc.'s early-stage budget and Program 1 scope, the Organization should first complete the IRS's Form 1023-EZ Eligibility Worksheet once the Program 1 Budget Approval Package is finalized. If projected annual gross receipts and assets fall within the 1023-EZ thresholds, the Organization should file Form 1023-EZ to minimize cost and processing time. If projected receipts exceed the thresholds (for example, due to a significant grant or in-kind donation), the Organization should prepare the full Form 1023.

Filing Timeline

- Finalize Board approval of Program 1 (Charter, Operating Policy, Budget, Staffing, Launch Authorization).
- Complete FDACS registration (or have it pending) to support the narrative of planned activities.
- Run the 1023-EZ eligibility worksheet; confirm form selection.
- Prepare and file within the 27-month window following incorporation (August 3, 2026) to preserve retroactive exemption to the date of incorporation.
- Track IRS processing status and respond to any additional information requests.

Required Supporting Documents

- Articles of Incorporation (filed copy) and Bylaws.
- EIN confirmation letter (EIN 42-4075687).
- List of officers and directors.
- Conflict of Interest Policy (adopted).
- Program descriptions and budget (Program 1 Charter and Budget Approval Package).
- Financial data or projections for the current and next two fiscal years (full Form 1023 only).

Filing Fee Funding Strategy

The Board should approve the \$275 (or \$600, if full Form 1023 is required) filing fee as a line item in the organizational startup budget. The Board may also consider a small designated fundraising ask, or funding from founder contributions, to ensure the fee is available when the application is ready to submit.

Retroactive Deductibility

Donors should be advised that if the IRS grants 501(c)(3) status, recognition is generally retroactive to the corporation's date of incorporation (August 3, 2026) provided the application is filed within 27 months of incorporation. Until the determination letter is received, all donor materials must describe the Organization's status as pending, not granted.

Recommended Board Action

The Board should authorize the Executive Director to complete and submit the appropriate Form 1023 or 1023-EZ application once Program 1 approvals and the organizational budget are finalized, and to pay the associated filing fee from Organization funds.

Donation Acceptance Policy

FOR BOARD ADOPTION • AGHF Inc. d/b/a AgroHouse Foundation™

Adopted: August 16, 2026-----

Purpose

This policy governs the acceptance, acknowledgment, and use of monetary and in-kind donations made to AGHF Inc. d/b/a AgroHouse Foundation™, and establishes clear disclosure practices during the Organization's pending 501(c)(3) status.

Types of Donations Accepted

- Monetary donations (cash, check, electronic payment).
- In-kind donations of goods or materials supporting Program 1 or future programs.
- Volunteer time (acknowledged, though not tax-deductible as a charitable contribution under IRS rules).

Donations the Organization Will Not Accept Without Board Review

- Donations of real property or vehicles.
- Donations with restrictions inconsistent with the Organization's mission.
- Donations from sources that would create a conflict of interest under the Organization's Conflict of Interest Policy.

Tax Status Disclosure — Critical Requirement

Because AGHF Inc.'s Form 1023 application has not yet been filed or approved, every donation acknowledgment issued prior to receiving an IRS determination letter must include language substantially similar to the following:

"AGHF Inc. d/b/a AgroHouse Foundation™ has applied, or intends to apply, for recognition of tax-exempt status under Section 501(c)(3) of the Internal Revenue Code. Such status has not yet been granted. If and when the IRS grants tax-exempt status, deductibility of contributions is generally retroactive to the Organization's date of incorporation (August 3, 2026). Donors should consult their own tax advisor regarding the deductibility of any contribution."

Acknowledgment Procedures

- All donations shall be acknowledged in writing using the Organization's Donation Receipt within a reasonable time of receipt.
- In-kind donations shall be acknowledged with a description of the item(s) received; the Organization shall not assign a dollar value to in-kind gifts on the receipt (the donor is responsible for their own valuation).
- Donations of \$250 or more shall receive a written acknowledgment meeting IRS substantiation requirements, to be finalized once tax-exempt status is granted.

Restricted vs. Unrestricted Donations

Donors may designate a gift for a specific program (e.g., Program 1). Restricted donations shall be tracked separately and used only for the designated purpose. Undesignated donations are treated as unrestricted and available for general operating or program use at the Board's discretion.

Recordkeeping

The Treasurer shall maintain a donation log recording donor name, date, amount or description, designation (if any), and acknowledgment date, consistent with the Financial Controls Policy.

This policy establishes a process for approving compensation for the Executive Director and other senior staff, consistent with IRS rebuttable presumption of reasonableness standards for insider compensation at 501(c)(3) organizations.

Approval Process

- Compensation decisions for the Executive Director are made by disinterested members of the Board (i.e., excluding the Executive Director if the Executive Director also serves as a Director).
- The Board reviews comparable compensation data for similarly sized nonprofits with similar roles before setting or adjusting compensation, where reasonably available.
- The basis for the compensation decision, including any comparability data reviewed, is documented contemporaneously in the Board minutes or a supporting memo.
- The Executive Director recuses from voting on their own compensation.

Frequency of Review

Executive compensation shall be reviewed at least annually, or upon any proposed material change in role or compensation.

Conflict of Interest

Any Board member with a personal or family relationship to the Executive Director shall disclose that relationship and, where appropriate, recuse from the compensation decision, consistent with the Organization's Conflict of Interest Policy.

Application to Program Roles

This process also applies to compensation for other insider or Board-adjacent roles, including the Program 1 Manager stipend, as reflected in the Program Manager Appointment Resolution.

Organizational Communication Standards

FOR BOARD REVIEW • AGHF Inc. d/b/a AgroHouse Foundation™

AGHF Inc. d/b/a AgroHouse Foundation™

Purpose

This document establishes consistent standards for all internal and external communications produced by or on behalf of AGHF Inc. d/b/a AgroHouse Foundation™.

Naming & Trademark Usage

- Use “AgroHouse™” and “AgroHouse Foundation™” with the trademark symbol on every instance throughout body text in all materials.
- The full legal name, “AGHF Inc., d/b/a AgroHouse Foundation™,” should appear at least once in formal documents (contracts, filings, letters).
- The tagline “Stability • Structure • Growth • Community” should be used consistently in donor-facing and marketing materials.

Branding

- Use the green color scheme and organization logo in page headers on all documents.
- Include a copyright notice on all documents (© 2026 AGHF Inc. d/b/a AgroHouse Foundation™. All rights reserved.).
- Maintain a professional, warm tone consistent with the Organization's community-focused mission.

Tax Status Disclosure

Until the IRS grants 501(c)(3) status, all donor-facing and fundraising materials must clearly state that tax-exempt status is pending and not yet granted, per the language specified in the Donation Acceptance Policy. This requirement applies to print, digital, and verbal solicitation materials.

Approval Workflow

- Internal working documents (drafts, budgets, staff communications) do not require Board approval before use.
- Donor-facing materials (program guides, flyers, receipts, grant applications) should be reviewed by the Executive Director prior to distribution.
- Materials referencing a specific partner organization's name or brand should be reviewed by that partner where a co-branding agreement exists.

Document Retention

Final versions of all externally distributed communications shall be retained by the Executive Director for the Organization's records.

USA Truck Proposal

FOR BOARD REVIEW • AGHF Inc. d/b/a AgroHouse Foundation™

Strategic Development — AGHF Inc. d/b/a AgroHouse Foundation™

Purpose

This proposal outlines a strategic initiative to acquire or partner for use of a truck to support AgroHouse Foundation™'s outreach, resource distribution, and homesteading program logistics.

Need Statement

Program 1: Community Outreach Stabilization requires reliable transportation to deliver donated goods, transport materials for homesteading education events, and support outreach visits across the service area. Currently, the Organization lacks dedicated transportation, which limits the scale and reliability of service delivery.

Proposed Options

Option	Description	Considerations
Donated Vehicle	Solicit an in-kind truck donation (e.g., through a corporate partner or community member)	Requires Board review per Donation Acceptance Policy; ongoing maintenance cost
Purchased Vehicle	Organization purchases a used truck	Requires capital budget approval; insurance and maintenance costs
Partner/Shared Use	Coordinate shared use of a partner organization's vehicle (e.g., First Nazarene Church of Zephyrhills)	Lowest cost; scheduling coordination required; formalize via MOU

Estimated Costs

- Purchase price (if applicable): \$ _____
- Insurance: \$ _____ /year
- Maintenance & fuel: \$ _____ /month

Recommended Approach

Given the Organization's current budget stage, the Executive Director recommends first exploring the Partner/Shared Use and Donated Vehicle options before committing budget to a purchase. Any purchase or financing arrangement exceeding the Financial Controls Policy thresholds requires Board approval.

Recommended Board Action

The Board is asked to authorize the Executive Director to pursue a donated or shared-use vehicle arrangement, and to bring any purchase proposal exceeding \$5,000 back to the Board for a separate approval resolution.

Electronic Signature Policy & Board Authorization Resolution

FOR BOARD ADOPTION • AGHF Inc. d/b/a AgroHouse Foundation™

Adopted: **August 16, 2026**

Purpose

This policy authorizes and governs the use of electronic signatures (“eSignatures”) by Directors and Officers of AGHF Inc. d/b/a AgroHouse Foundation™ (the “Organization”) for Board resolutions, meeting minutes, policies, and other corporate documents, in accordance with the Florida Uniform Electronic Transactions Act (Chapter 668, Part II, Florida Statutes).

Board Resolution

WHEREAS, the Board of Directors has determined that permitting the use of electronic signatures will improve efficiency in adopting and executing corporate documents while maintaining appropriate recordkeeping standards; and

WHEREAS, Chapter 668, Part II, Florida Statutes, generally provides that a record or signature may not be denied legal effect solely because it is in electronic form, where all parties have agreed to conduct the transaction electronically;

NOW, THEREFORE, BE IT RESOLVED, that the Board of Directors hereby:

- Authorizes Directors and Officers to execute Board resolutions, meeting minutes, policies, and other corporate documents using electronic signatures, provided the signer has completed a Board Member eSignature Consent & Enrollment Form;
- Approves Adobe Reader's native e-signing tool (or another Board-approved e-signature tool identified on a signer's Consent & Enrollment Form) as an acceptable method for applying electronic signatures to Organization documents;
- Directs the Secretary to maintain a signed Consent & Enrollment Form on file for each Director or Officer using electronic signatures, and to retain electronically signed documents in the corporate records with the same permanence as manually signed documents;
- Confirms that any Director or Officer may withdraw consent to use electronic signatures at any time by written notice to the Secretary, after which future documents for that individual will require a manual signature.

Scope of Use

- Board resolutions and written consents in lieu of a meeting.
- Meeting minutes requiring Secretary or Chairperson certification.
- Board-adopted policies.
- MOUs and partnership agreements, where the counterparty also agrees to electronic execution.
- Donation receipts and donor acknowledgments requiring an authorized signature.

Exclusions

Electronic signatures under this policy may not be used where applicable law requires a notarized or manually witnessed signature (for example, certain real estate or financial instruments), unless the specific eSignature method used independently satisfies that legal requirement.

Recordkeeping

Electronically signed documents shall be stored in the same corporate records system as manually signed documents and retained for the same periods specified elsewhere in the Organization's records retention practices (see Corporate Records Retention Cover Sheet).

Policy Review

This policy shall be reviewed annually by the Board and updated as needed to reflect changes in law or the Organization's e-signature tools.
